

## JOB OFFER

# IT WORKING STUDENT

We are offering a working student position.

We just finished our work on Maya the Bee 3 successfully and are up for new adventures!

If you are interested in how the IT in an animation movie studio works and you:

- are able to work in a structured way
  - are a good team player
  - speak English
- know about Linux or Windows Systems administration
- have a very good attitude for trouble shooting tech problems
- have a passion for learning new technologies
- have patience while listening to users

then yes, write us please :)
